Dear East Grinstead Cricket Club,

Congratulations on achieving ECB Clubmark Re - accreditation

Congratulations on achieving ECB Clubmark Re-accreditation and maintaining your ECB Clubmark accredited status.

Maintaining ECB Clubmark standards is important to the continued high quality development of community cricket clubs for all members, especially young people. By successfully completing the re-accreditation process you have demonstrated your ongoing commitment to being a safe, effective and child friendly club, and we are pleased to enclose your ECB Clubmark Re-accreditation certificate.

The hard work your club has undertaken has been recognised by the ECB, your County Cricket Board, Sport England and by partners locally. You will already have a copy of the ECB Clubmark logo which you can continue to use on all club press and publicity information to promote your accreditation status. We have also enclosed some information about the generic Clubmark website that promotes Clubmark on behalf of the twenty five National Governing Bodies of sport that use Clubmark as their national Club Accreditation Scheme.

Once again, congratulations on your achievement and thank you for your continuing commitment and dedication to community club cricket.

Yours sincerely,

Mike Gatting
